Antioch Merchants Will Sponsor Free Cooking School

NOTED DIETITIAN TO CONDUCT SESSIONS HERE FRIDAY, JUNE 15

Miss Loretta Gray Will Lec- ture on "Health Through Correct Diets"

During the past decade, free cooking schools have been a yearly feature in all the metropolitan centers throughout the country as the result of co-operative efforts of newspapers and merchants.

The interest in these schools has encouraged Ray H. Eddy, distributor of Pyrotax gas and Magic Chef gas ranges for Antioch and vicinity, to undertake the sponsorship of a free cooking school, with co-operation of representative merchants and the Antioch News. The school will be held at the Antioch Township high school, Friday, June 15th, with two sessions, afternoon at 2:00 and evening at 7:30.

Diet Specialist in Charge
Through the co-operation of the influential companies Mr. Eddy represents, he has been able to secure the services of Miss Loretta Gray, New York Dietician and domestic science specialist, for conducting both sessions of the school.

Miss Gray has a training and knowledge by which she holds the undivided attention of her audiences while showing the advantages of modern science in the culinary arts.

Health Through Diets
Each recipe is carefully explained as Miss Gray prepares it before her audience.

"Time and Temperature Cooking," originated by the American Stove Company, makers of Magic Chef ranges, is the method Miss Gray uses. She explains its advantages and economies as proved by millions of users throughout the country.

The subject of "health through correct diets," occupies the daily pages of our national publications. The benefits of correct diets, and their preparation, is one of Miss Gray's favorite lectures.

Co-operating with Mr. Eddy in this public spirited enterprise are the following merchants:

Co-operating Merchants:
Scott's Dairy, milk and cream; Powles Food Store, meats; Williams Bros., electric refrigeration; Antioch Fruit Market, fruits and vegetables; National Tea Co., groceries; Soukup Hardware, utensils; Reeves' Drug Store, paper napkins, plates, etc.; Feinstein Furniture Co., Waukegan. (Continued on Page 8)

UNITED STATES NAVY IS ENLISTING MEN

Information has been received that the Navy Recruiting Sub-station, located in room 826 of the New Post Office Building at Chicago, will start operations as a main station on July first. Applications for enlistment for general service are now being accepted to fill the July quota which, it is estimated, will be about fifty men. These men will be selected from those applying, who have been residents of this community for one year. Applicants must be graduates of the eighth grade, between the ages of 17 and 25 years, unmarried, without dependents, able to furnish reliable references and pass physical and mental tests. Those selected will, after enlistment, be transferred to the Naval Training Station at Hampton Roads, Virginia, for twelve weeks of training before being sent aboard ships of the Fleet for duty.

Radio Too Much For Jangled Nerves Of Antioch Business Man

While the village board members were conducting their none to peaceful deliberations regarding the police situation here Monday night, a telephone call from one A. B. Johnson carried crisp information to the ear of Alderman Jim Stearns to the effect that a radio in the home of J. H. McVey was disturbing the quiet and tranquility of the neighborhood in the vicinity of 795 N. Main street.

McVey, retired hotel keeper, and an ardent radio fan, owns his own home, pays his taxes on it and no doubt considers his home as his castle. There is little doubt that McVey feels he is acting entirely within his rights by turning on his radio if, as and when he feels so inclined. Johnson, however, has a widely different opinion from that of his neighbor McVey regarding the time when one should listen to the soothing strains of a radio orchestra, and 10:30 at night is not the proper time, according to Johnson—hence his emphatic complaint to the village board.

Johnson, who recently financed a business that is being conducted in his building at 865 Main street, and upon which he is keeping a most watchful eye, finds all his wakeful hours fully occupied, and if he is to pilot his business successfully through the depression, he just must have his sleep. Thus it was that Neighbor McVey's radio proved too much for his jangled nerves.

Alderman Stearns relayed Johnson's complaint to the village board, which was advised by Village Attorney Rynard that the complaint should be made in writing before the board could properly take action. Johnson, perhaps has little faith in the efficacy of written statements, so it would seem there is little he can do about it, except, perhaps, to consult his favorite attorney-at-law, or else "grin and bear it."

JIM McMILLEN WILL HEAD WRESTLING CARD IN ROUND LAKE ARENA

Contender for Heavyweight Crown Signed for Bout

Jim McMillen of Antioch, one of the foremost contenders for the world's heavyweight wrestling championship and the pride of local mat fans, has been signed to grapple on the main event of the first all-star wrestling card to be presented at Renahan's Summer Resort at Round Lake, Ill.

Renahan has built an outdoor arena on his baseball diamond where he will hold a series of professional wrestling cards during the summer season. The bouts, which will feature the outstanding heavyweights in the country, will be promoted by "Peggy" Behning of Grayslake and Leslie White of Libertyville.

The promoters have not as yet selected a suitable opponent for McMillen but are expected to name one within a week.

Lives in Antioch
Jimmy is very popular throughout this part of the country as he was born and raised in Grayslake. He attended the Libertyville High School and later made a name for himself at the University of Illinois. He captained the varsity football team and was selected as an All-American guard.

He has been wrestling professionally for the past eight years and today he is rated among the ten greatest wrestlers in the world. In fact he is considered by many to be the most likely challenger to take the title from the Champion Jim Londos. Mr. and Mrs. McMillen now live in Antioch in their new home built here a year ago.

Auto Accident Proves Fatal To Lake Villa Man

Death came to Vincent Saunaris, 43, of Route 2, Lake Villa, Saturday, May 26, when the car which he was driving crashed headlong into a truck operated by John Taylor, driver for the Chicago North Shore Fast Freight Trucking Co., west of North Chicago. The fatal accident occurred when Saunaris passed a milk truck driven by Edward Cooke going south on Morrow avenue near North Chicago and crashed into Taylor's truck, coming north.

Saunaris was thrown clear of his machine, which was almost completely demolished. He was taken to Victory Memorial Hospital, where he died a few hours later. Taylor, who suffered a slight scalp wound, was absolved of blame at the inquest after testimony given by Cooke showing that Saunaris was on the wrong side of the road when he crashed into the truck.

Funeral services were held May 28 from the Jucus home, Lake Villa, and burial was in the Ascension cemetery. One sister, Mrs. John Jucus, Lake Villa, with whom he resided, survives.

LAKES NAVIGATION MENACED BY DROUGHT

Inspection Tour of Chain- O'-Lakes to Be Made Tomorrow

The almost unprecedented drought in Lake County, in addition to menacing crops and harvests, may prove disastrous to residents of the Chain O'-Lakes region or those operating motor launches. Einar Sorenson, Waterways Inspector of Lake County said yesterday.

The water level, which is from eight to twelve inches lower than normal, is endangering navigation, according to Ray Pregenzer, Grass Lake hotel owner and sportsman. Large motor launches able to carry about sixty passengers now are experiencing difficulty in traversing the channels, Pregenzer said, and a further drop in the water level would tie them up.

An inspection tour of the Chain-O'-Lakes will be conducted by Einar Sorenson tomorrow morning starting at 10 o'clock. He will be accompanied by Walter Smith, Jr., District Engineer of the Waterways Division; Representative Thomas A. Bolger; Supervisor William A. Rosing; and Supervisor Homer Cook of Waukegan.

Sorenson received his appointment as Waterways Inspector in Lake County from Governor Horner a short time ago and took over the duties June 1.

Favor Canal Project
A project long dreamed of by lake resorters concerning a canal connection between the Fox River and Lake Michigan at a point south of Zion, appears in a particularly feasible light at this time in view of the lack of sufficient rainfall.

Members of the Legislature and engineers have approved of the project and will advocate it as soon as improved financial conditions admit, according to Pregenzer. Such a canal would provide a water connection between Chicago and the western Lake County lake region, thus enhancing the value of the region as a Chicago playground.

Only the upper Fox River is navigable from the dams at McHenry north into Kenosha County, Wis., at present. Further improvement of the lower part of the river is being agitated, with a possibility of state or federal aid.

Thirteen Receive Basketball and Baseball Letters

Letters were awarded at the close of the athletic season at the Antioch Township High School to thirteen members of the basketball and baseball teams. They are: basketball, Simpson, Steffenburg, Bishop, Zelen, Hawkins, Van Patten, Simonsen, Mgr.; and Shoen, for his sportsmanship, hard work and fine spirit. In baseball, Wells, Schneider, Simpson, Madison, Steffenburg, Christensen and Miller were awarded letters.

SIXTY-SIX GRADUATED FROM ANTIOCH HIGH

Dr. Ralph Dennis Emphasizes the Necessity for World Peace

VALEDICTORY BY BERNICE JENSEN

Speaking before the largest senior class ever graduated from the Antioch Township High School at the annual commencement held Monday evening, June 4, Dr. Ralph Dennis, Dean of the School of Speech, Northwestern University, stressed the importance of the problem facing the present generation of maintaining peace among the nations of the white race.

"The white race has gained its existing ascendancy over other races due to the fact that its members learned and adopted modern methods of warfare," Dr. Dennis stated. "The last great World War demonstrated that when white men fight each other, chaos results."

Dr. Dennis, a recognized authority on world conditions, who has just returned from an investigative tour of Europe, considers this one of the pressing problems of the white race today. It is up to the younger generation, he believes, to recognize the danger of world chaos or destruction of the white race, and to do everything possible to avert this condition.

Sixty-Six Receive Diplomas
Sixty-six members of the Class of '34 marched proudly across the platform to receive their diplomas, thus marking the nineteenth annual commencement of the high school. Special commencement music presented by the chorus and voice groups, was given applause for being particularly fine. The program follows:

Music by High School Orchestra and Band

Invocation—Mr. Pollock

"Abide with Us," "The Will I Love"

and "Sanctus" by Girls' Glee Club

Address by Dr. Ralph Dennis

"Hear Us Lord," and "Calm as the Night" by Girls' Choir

Presentation of Diplomas by Pres. G. R. White

Hymn to Music—Chorus

Benediction—Mr. Pollock

Review "Idiosyncrasies"

Class Night memories, always of particular interest to the graduates, their parents and those acquainted with the members of the class, were presented May 28 at the high school.

At this time, the valedictorian, Bernice Jensen, was presented.

(Continued on Page 5)

MILLBURN FARMER IS SUICIDE: SHOT SELF WITH RIFLE

Domestic Troubles Believed Cause; Wife and Three Children Had Left

Millburn residents were shocked last week to learn of the suicide of Carl Johnson, farmer residing on the Beck road west of Millburn. Johnson was found shot to death early last Thursday morning in his farmyard by R. B. Miller, dairy truck driver, who regularly calls on the farmers in the Millburn vicinity each morning to pick up the milk.

Domestic trouble and a particularly violent quarrel with his wife resulting in her leaving him and taking the three children are considered the cause of his taking his life. He was seen about the place the morning before, by Miller, but Thursday morning was found dead, lying on his back, his legs crossed and hands folded across the chest, and a .22 caliber rifle bullet wound found in his mouth.

His death was attributed to loss of blood rather than from the shock of the shot, according to Chief Deputy Sheriff Thomas E. Kennedy. Johnson had been shipping four cans of milk a day and was buying his farm. This fact led authorities to believe that domestic rather than financial difficulties were responsible for his act.

A verdict of suicide was returned by the coroner's jury at the inquest held Friday morning.

PASCHEN BEGINS LEAVENWORTH TERM

Christian P. Paschen, Antioch man and former building commissioner of Chicago, arrived Saturday at Leavenworth penitentiary in Kansas to start serving a two-year federal term for income tax violation.

He was convicted on a charge of failing to pay a tax of \$47,000 to the government and was fined \$2,000 as well.

He first came to Lake County in 1917 as a paying contractor, and gradually accumulated several large farms in Illinois and Wisconsin, upon which he spent a fortune in improvements. During good times, he provided work for many local residents.

H. S. Faculty Members Plan Varied Summer Activities

Various programs of study, rest and travel are planned by members of the high school faculty for this summer. It was revealed this week at the close of commencement activities.

Mr. and Mrs. H. H. Riechers left yesterday for Boulder, Colo., where Mr. Riechers will attend the Colorado University, working toward a Master's degree. Miss Cornelia Roberts also will work toward a master's degree at the University of Chicago this summer.

Hans Von Holwede will leave Sunday for a visit with his mother in his native country, Germany. Mr. and Mrs. Roger Dardenne left today for Pennsylvania, where Mrs. Dardenne will stay with relatives at Erie, while Mr. Dardenne attends summer school at the University of Pittsburgh.

Mrs. Ruby Richey and son, Paul, are leaving for her home in Olney for a visit. The other members of the faculty, L. O. Bright, Fred H. Hackett, and C. L. Kuti and Miss Helen Curran will spend the summer in Antioch. Miss Alice Smith will remain at her home in Grayslake.

Coach Obtains Position
Thomas Cox, for the past year coach and biology teacher at the high school, has left with his family for Hammond, Indiana, where he has a position with the Hammond Brass Works. He also plans to pitch on the Brass Works baseball team this summer.

Two From Antioch Graduated From Univ. of Illinois

Homer Edwards and Fred D. Hollenbeck Receive B. S. Degrees

Two Antioch students will be graduated from the University of Illinois with B. S. degrees at the sixty-third annual commencement exercises to be held at Urbana next Monday. They are Homer E. Edwards and Fred D. Hollenbeck, Jr. Approximately 2100 students will receive their academic awards at this time, including 1,700 from the Urbana departments.

The list of Illinois graduates includes 17 from Lake county.

Dr. Arthur Hill Daniels, Acting President of the University, who has served the state institution for 41 years, will deliver the commencement addresses in Chicago and in Urbana.

Next year the University will be headed by Professor Arthur Cuts Willard, a member of the faculty for more than 21 years. He has been serving as Acting Dean of Engineering for the past year and is an international authority on heating and ventilation. He was elected unanimously by the University Board of Trustees to become the new president of the institution.

University of Illinois candidates for degrees from other towns in this vicinity are: Lake Villa, Delbert L. Hook, Ph. C.; Round Lake, Anabel Junge, B. S.; Grayslake, Oliver D. Barron, B. S.; Herbert D. Gould, B. S.

Mrs. Henry Grimm and daughter, Mrs. George Anzinger, and Mrs. Emma Hodge left on Saturday morning for a trip to Minnesota and Iowa. Mrs. Hodge will visit her sister, Mrs. Ruby Stevens, in Minnesota.

TAVERN PETITION IS VOTED DOWN BY VILLAGE BOARD

Sunday Morning Opening Is Frowned on by Village Dads

A petition signed by a number of Antioch tavern keepers and citizens, asking that the existing ordinance prohibiting Sunday morning opening of taverns be reconsidered, was voted down 5 to 1 in village board meeting Tuesday night. Under the ordinance, taverns are permitted to open at noon on Sunday.

The annual appropriation ordinance was passed, as was also the ordinance authorizing curbs and gutters and installation of storm sewers on Spafford and Harden streets. These improvements are to be paid out of the village's share of the state gas tax funds. Plans and estimates were submitted by Village Engineer William Stuber.

Employ Auditor
The village has retained E. F. Laurin, certified accountant, of Arlington Heights, to audit the books of the village. Audit of the special assessment accounts has been completed and pronounced correct by the auditor.

The matter of a drive to collect village vehicle tax was not brought up at the meeting, although but about fifty tags have been sold. Village licenses expire in April.

Fall on Police Agreement
Mayor George Bartlett and Board members failed to agree on a permanent arrangement for village police. Acting Marshal Pete Petersen continues on the job as substitute for Simon Simonsen who was granted a thirty-day leave of absence on May 1. The mayor appointed Petersen for the thirty-day period which has now expired.

The stormy session ended in a deadlock when a motion was made to appoint Trustees Vos, Hawkins and Lux as a committee to make recommendations as to salaries, duties and hours of police. Hawkins, Stearns and Drom voted no, and Vos, Sibley and Lux yea on the proposition, and the "balance of power" was in the hands of the mayor. Bartlett was not long "on the spot" for with no hesitation whatever he voted "no."

It is hoped that a satisfactory agreement will be made at the next meeting of the board.

HOPE FOR RECOVERY OF BULLET VICTIM

H. S. Boy Is in a Critical Condition Following Tragic Shooting

Although Kenneth Brown, 16-year-old Antioch high school freshman who was accidentally shot by a chum while hunting May 27, is still in a critical condition in the Kenosha hospital, some hope for his recovery is held, according to the latest reports.

The tragic accident occurred Sunday afternoon, May 27, when Brown and a young companion, Harold Vandenberg, 12, were hunting near Salem, Wis. The gun, aimed by Vandenberg at a blackbird, discharged before the boy could take careful aim. A bullet struck Brown in the center of the forehead, lodging there and causing paralysis and loss of speech.

Leave to Gather Flowers
Kenneth lives with his mother and stepfather, Mr. and Mrs. Fred Stephens, Salem. He and his friend left Sunday morning after obtaining permission to gather wild flowers as a part of his school work. The sound of shots and screams in the timberland were heard by vacationists at Camp Lake, who hurried to the scene and rushed Kenneth to Salem, where he was given first aid, before being taken to the hospital.

The boy attended the Antioch high school this year as a Freshman, and was the president of his class. It was reported that young Vandenberg found his pistol on a dump heap, and had taken it home and cleaned it without the knowledge of his mother, Mrs. Helen Vandenberg.

BETTER THAN GOLD A Message to Graduates

This month there will go forth from our country's splendid schools and colleges a large army of graduates, armed with the diplomas which are regarded as a mark of scholastic achievement. These fortunate ones through their efforts have received the rudiments of the world's knowledge, they have gained strength and character, and undoubtedly have in their possession the correct prescription which, if followed, will lead them to a true education.

From the lips of those qualified to speak from experience and with authority, the graduates have heard much of the rewards of service, the value of courage, the worth of character.

Some who have received diplomas will regard education as a means to aid them to an easy life, or to be used solely for the selfish motive of gratifying personal greed for financial gain. This is a false conception of education.

Others, more fortunate in acquiring correct ideals through environment and by temperament, will know that acquiring an education is only the process of preparing for a broader service in life; thus it follows that those best prepared to serve must assume greater responsibility. They will know that financial well being inevitably follows useful service. They know that education really does pay in dollars and cents; they know, too, that this aspect of education is over-emphasized, since there are at least five things in life much more valuable than gold. They are: Good health, a trained mind, a clear conscience, a few good and true friends, and an opportunity for useful employment.

The true conception of education is interpreted in three aspects: What we know, or our knowledge; our ability, or what we are able to do; and our character, or what we are. The least of the three is our knowledge. Since humans must live with humans, is it not true that the ultimate in education is "humanism?" This is the true conception of education.

THE LESSON ITALY TEACHES

What are the consequences of a "planned economy" such as certain members of the brain trust seek for the United States?

No more cogent summing up of its actual results can be found than that of Col. Frank Knox, Chicago newspaper publisher, outlining the situation in Italy today.

He has found that, in Italy, planned economy has:

Destroyed every vestige of popular parliamentary government.

Killed freedom of speech, freedom of the press and of assembly and the right of petition.

Made taxation without representation country-wide, for the poor as for the rich.

Made labor compulsory and strangled private capital investments.

Taken all voice from industry and labor. Fixed earnings for labor and industry by government edict.

Increased the Italian national debt to an almost unbearable total.

The most dangerous situation created by this tremendous centralization of government in Italy Colonel Knox finds to be the staggering increase in debt. Studied from another standpoint, this means that the dictator, Mussolini, has been maintaining the government, and himself, by huge government expenditures.

The national debt of the country has advanced in five years from 111,000,000,000 to 150,000,000,000 lire. And whereas in 1928 the national budget was in excellent shape with income 550,000,000 over and above expenses, the 1933 budget revealed a deficit of 3,663,000,000 lire.

In other words, the country has to do as one man says; and his orders are plunging the nation into a morass of debt instead of bringing it to a "balanced economy." Instead of a permanent restoration of Italian prosperity, the country is evading actual bankruptcy merely by mortgaging an uncertain future.

In the United States, as in Italy, we must learn that a country cannot spend itself into prosperity; that bureaucracy is a sorry substitute for strong and free self-government.

"THE WATERLOO" FRATERNITY Clausius E. Wade

Director Chicago College of Commerce, Chicago.

When after thirteen months of fighting in Italy, Napoleon took up his headquarters at the castle of Montebello near Milan where he assumed the airs of a monarch. A rigid etiquette prevailed. His officers were no longer, received at his table. He even arranged things so that the inhabitants of the country might gaze upon him at a respectable distance when he dined. His frown made men tremble.

Everything about him radiated power, yet all this time he did not have enough power, nor influence, nor courage to drive a little yapping dog that he hated very much, out of his wife's room because the dog was her favorite, and Mr. Napoleon at that time was afraid of his wife.

Life is the same today as it always has been. Men attempt to evade the commonplace category where they are on a par with other men, and seek a realm where they can dominate either by superiority or bluffing.

The next time you have a quaking feeling in your boots at the presence of some personality, whether president of the United States or a lowly bootblack, just remember that we are all brothers in that great fraternity, "The Waterloo."

ANNUAL APPROPRIATION ORDINANCE

AN ORDINANCE MAKING APPROPRIATIONS FOR THE VILLAGE OF ANTIOCH, COUNTY OF LAKE AND STATE OF ILLINOIS, FOR THE FISCAL YEAR BEGINNING MAY 1, 1934, AND ENDING APRIL 30, 1935.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, COUNTY OF LAKE AND STATE OF ILLINOIS:

SECTION 1. That the following sums or so much thereof as may be authorized by law be and are hereby appropriated as herein specified for the corporate purposes of the Village of Antioch, County of Lake and State of Illinois, for the fiscal year beginning May 1, 1934, and ending April 30, 1935.

1. For salaries of municipal officers\$3,500.00
2. For fees, wages and services of agents and employees\$ 500.00
3. For election expenses\$ 150.00
4. For printing stationery, books, office supplies and expenses\$ 100.00
5. For heating and operating costs of Village Hall, Fire and Police Station\$ 250.00
6. For lighting streets, alleys, public buildings and places\$1,800.00
7. For maintenance and operating costs of water department and water works\$1,800.00
8. For the maintenance and repair of sewers, sewer improvements and buildings\$250.00
9. For maintenance and operation of fire department\$ 900.00
10. For maintenance and repair of public buildings\$ 500.00
11. Maintenance, repair and improvements of streets, alleys and sidewalks\$ 800.00
12. Public benefit in assessments against the Village and local improvements\$1,000.00
13. For the building of reinforced concrete curbs and gutters on Spafford Street and portions of Harden Street, together with storm water drainage from the intersection of Spafford Street with Lake Street to along, upon and under Spafford Street to Harden Street and upon Harden Street to its intersection with Victoria Street including all engineering and legal expenses incidental thereto from funds under the Motor Fuel Tax Law from the State of Illinois\$1,500.00
14. For land and easements over lands acquired or to be acquired for extension of and access to the Village lot and property on Orchard Street in the Village for water tower and tank and appurtenances\$1,300.00
15. For the cost of the erection and construction of 100,000 gallon ellipsoidal bottom elevated steel tank and tower and the removal of the water tank and tower heretofore in use by village\$2,650.00
16. For residuary and contingent funds\$ 500.00

TOTAL\$17,500.00

SECTION 2. In addition to the foregoing sums and amounts the following sums are hereby appropriated:

1. For Library fund\$ 500.00
2. For the payment of bonds outstanding and interest thereon due and becoming due all as per ordinance

heretofore passed and approved\$ 800.00

TOTAL\$1,300.00

SECTION 3. All unexpended balances of the appropriations for the year ending April 30, 1934, are hereby specifically re-appropriated for the same general purposes for which they were originally made.

SECTION 4. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 5. This ordinance shall take effect and be in force from and after its passage, approval and publication in accordance with law.

NEW LOW SKELGAS PRICE BRINGS GAS INTO EVERY HOME

Avery Announces Lowest
Installation Price in
History

The news that Skelgas can now be installed in any home anywhere at a cost no greater than old-fashioned cooking fuels, is announced in this issue of The Antioch News by Paul R. Avery, Skelgas dealer for this vicinity. Skelgas is real natural gas, purified and compressed in safe steel cylinders, bringing gas service to homes everywhere.

Commenting on the announcement, Mr. Avery said: "Skelgas Company, through us, is able to offer a complete installation at well under a hundred dollars, in spite of increased material and labor costs, because of the tremendous increases in the number of Skelgas users. The new price includes a modern Skelgas range and all operating equipment completely installed ready to use.

"In order to acquaint all of our friends with the wonderful convenience of Skelgas, we are glad to place complete installations in homes for three days without charge, and without obligation of any kind."

The complete Skelgas announcement is advertised on another page of this issue.

Walsh Hardware of Grayslake Takes Sparton Agency

The Walsh Hardware company of Grayslake has announced their appointment as exclusive dealers for the Sparks-Withington Co., of Jackson, Mich., featuring the Sparton line of electrical refrigeration. New low prices and a liberal time payment plan makes purchase easy, according to the dealers.

The Antioch agent of the Walsh firm is J. L. Waters, at 1063 South Main Street.

Lake County Office Closes

The office of the Lake County T. B. Association will be closed for six weeks after June 9. During this time, Miss Mary Kendall, executive secretary of the association, will attend summer school.

ADJUDICATION NOTICE

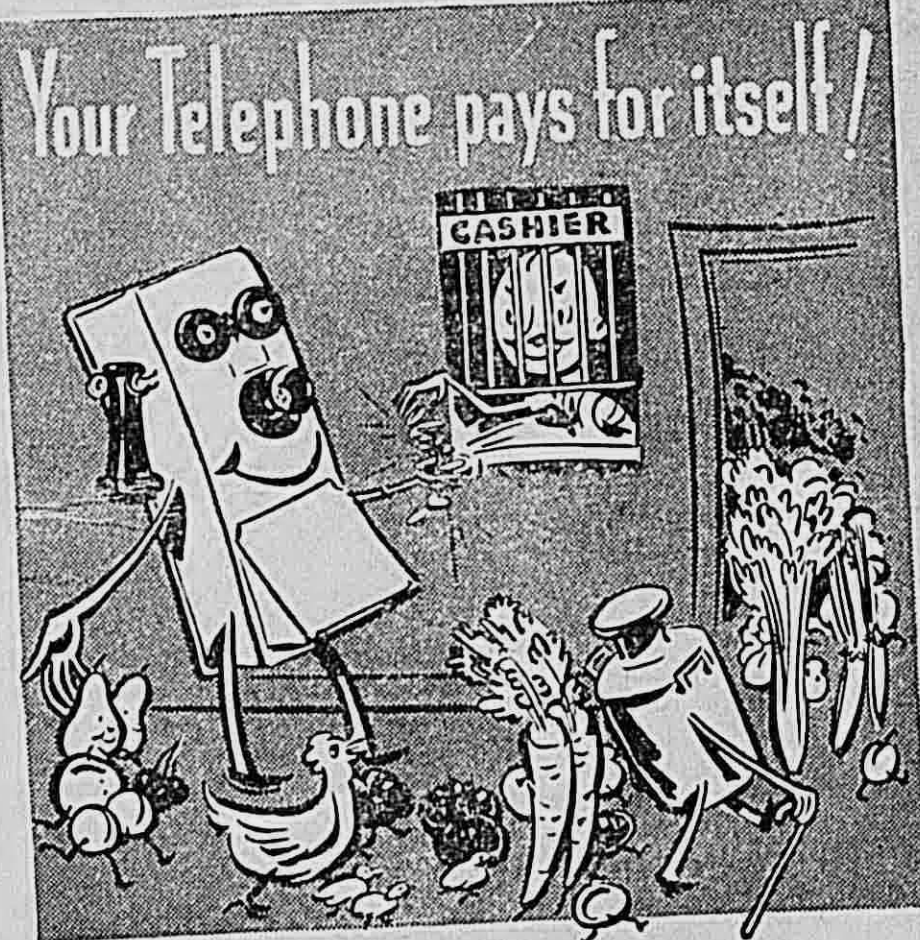

PUBLIC NOTICE is hereby given that the undersigned Executrix of the Estate of Mary Hoye deceased, has fixed upon Tuesday, the 3rd day of July A. D. 1934, as the return day for the hearing of all claims against the above named Estate. All persons having claims against said Estate are hereby notified and requested to attend the Probate Court of Lake County, Illinois, on said date at ten o'clock A. M. for the purpose of having said claims adjusted.

MANY A TELEPHONE has more than paid for itself by bringing in orders for butter, eggs, poultry and garden produce in season. Market information, procured by telephone, has saved much for farmers when buying and given them extra profits when selling. The telephone effects other economies by running errands, saving time, and bringing help in emergencies. Consider its value per penny of cost. Nothing does so much for so little.

Call our Business Office, or any telephone employee will gladly help you place your order.

NOW! GAS BEYOND THE GAS MAINS AT NEW LOW PRICE

AS LOW AS

\$8980
COMPLETELY
INSTALLED
INCLUDING

Now... Skelgas offers you the advantages of real gas, everything complete and ready to cook your breakfast tomorrow morning for as little as \$89.80. For this one low price you get the entire facilities for using purified natural gas—Skelgas, the fuel which thousands of households have already proved to be indispensably economical and convenient... For the bare cost of the plumbing expense of a typical city gas installation, you get your own complete "gas plant" and equipment—this beautiful Skelgas range, and all

Most Skelgas ranges have automatic oven heat regulation. Optional equipment on this model.

Heavy insulation seals oven walls of most Skelgas ranges. Optional equipment on this model.

Every Skelgas range has a spacious cooking top to accommodate several vessels.

Most Skelgas range models (including model shown) have convenient double-searing broiler.

The low price of \$89.80 includes all equipment—the steel cabinet that houses the Skelgas cylinders, all connections, and regulating equipment—and this beautiful four-burner porcelain finish Skelgas range... Skelgas achieved this lowest price in its history in the face of steadily rising costs of labor and materials—because of the ever-increasing popularity of its products... We will gladly give you a free, 3-day trial of a Skelgas installation. Find out without cost what Skelgas will do for you.

COSTS LESS TO OPERATE

Skelgas will furnish the heat to cook 21 whole meals or a whole week for the cost of making a 20-mile drive in the family automobile!

Lake Villa, Illinois

LAKE VILLA MAN, MISS RADLIFF, WED

Birthday Parties Are Held for Several Children of Community

Miss Marcella Radliffe, well known here, was married in Waukegan on Tuesday, May 22, to Harland Craft, son of Mr. and Mrs. Clayton Craft, north of town. They were attended by Donald Craft and Nellie Craft, brother and sister of the groom. For the present they are with the Craft family, but expect to live at Little Lake. We offer our hearty congratulations to the young couple.

Birthday parties are popular among the children recently. Jimmie Dixon was four last Friday and a number of his small friends were invited to help him celebrate, and Bruce Hamlin of Chicago, who has been visiting his grandparents, Mr. and Mrs. Fred Hamlin, celebrated his fifth birthday at their home Saturday afternoon and the children had a most delightful time.

Miss Lindsay, a Chicago teacher, spent Saturday and Sunday at her cottage on Oak Knoll Drive.

Mrs. Alice Culver returned recently from a visit with Mrs. Mina Gilbert and relatives in Waukegan.

Jack Rhoades has returned from Minong, Wis., where he has been attending High School for his Junior year, and finished with grades next to the highest, being second in his class.

Mr. and Mrs. George Helm and Phyllis spent Saturday with relatives at Crystal Lake.

Mrs. Fred Hamlin is nursing several severe bruises sustained when she fell down the back steps at her home last Thursday.

Children's Day will be observed at the local church next Sunday morning at 10:30 when "The Pageant of Helping Hands" will be presented by the children of the Primary and Junior groups assisted by the young people. This is a very pretty and effective pageant and you are very welcome. There will be no Sunday school or preaching service.

Charles Pistorius drove up north last Saturday for his wife and daughters, Joan and Barbara, who have been visiting Mrs. Pistorius' parents for the past two or three weeks. They returned home Sunday. Will Sebora accompanied Mr. Pistorius as far as Randolph, Wis., to visit his daughter, Norma Patrick and husband, also the new granddaughter who recently arrived.

Mrs. Olive Pholen of Omaha, Neb., and her daughter, Mrs. Margaret Simon, of Chicago, were guests of Mrs. Phalen's sister, Mrs. James Kerr and family, the first of the week.

Miss Maude Benham and Mrs. Benham of Rockford, Miss Helen Hewitt of Elgin and Mr. and Mrs. Merrill Hewitt of Blue Island were guests of Mrs. Hewitt and Clara at the parsonage the first of the week and attended graduation exercises at Antioch High School Monday evening. Clara was one of the graduates.

Many of the older people of the community will be grieved to hear of the death of Mrs. Alice Howard, nee Alice Tidy, which occurred at the home of her niece, Mrs. Guelzow in Downers Grove on Friday of last week. She had been ill for a long time. The funeral was held at Lake Mound Cemetery at Zion Monday afternoon and Mr. and Mrs. C. Hamlin and Miss Mary Kerr attended. Her husband, Eugene Howard, passed on

TREVOR HOMES ARE DAMAGED BY HAIL

Picnics Are Order of the Day in This Community

The rain storm of Friday afternoon, accompanied by a strong wind and hail broke a number of windows at the Mutz and Lavenduski homes.

Mrs. Nick Ribbert and family with friends celebrated her birthday with a picnic at Fox River Park on Friday. 500 and games were enjoyed as was also a fine lunch.

Mrs. Anna Zmerly and daughters, Evelyn and Mildred, of Chicago, spent the week-end at their home here.

Saturday evening callers at the Charles Oetting home were: Mr. and Mrs. A. Anderson, Mr. and Mrs. Geo. Oetting and brother, Herman Oetting, Jr., Berwyn, Ill.

Mr. and Mrs. Gerum, Kenosha, and the latter's mother, Mrs. Dora Marks, Detroit, Mich., called at the Joseph Smith home Sunday.

Week-end visitors at the Charles Oetting home were their daughters, Adeline Oetting, River Forest, and Beatrice Oetting, son, Karl Oetting, Howard Mathews, Chicago, Florence Gripe, Evanston, Edith Zarnstorff, Richmond, and Mr. Fishback, Kenosha. On Sunday afternoon in company with Mrs. Oetting, all attended the ball game at Racine, where Alfred Oetting took part in the game.

Mr. and Mrs. Joe Copper and son with friends, Chicago, spent Sunday with the C. A. Copper family.

Mrs. Luanah Patrick attended the Priscilla meeting at Salem at the home of her daughter-in-law, Mrs. Byron Patrick, on Thursday.

Mr. and Mrs. Charles Gaare, Pala-

15 years ago, and she was buried in the family lot with others who had preceded her. By her sunny nature and kindly Christian attitude toward life in general she won many friends, and was a truly consistent Christian woman. She was a member of the Baptist church in Waukegan.

Bobbie Sherwood who lives with his grandparents at Round Lake, spent Saturday and Sunday with his mother here.

The R. N. A. Officers' Club met at the Avery home Monday afternoon and after the business session, played 500. Mrs. Mary Peterson, Mrs. Avery and Mrs. Leo Barnstable won prizes. Mrs. Swanson and Mrs. Lucille Escherich were hostesses for the day.

We were all very thankful for the showers which came early this week, and hope for more to help late crops. The cupola of the Allendale school was struck by lightning during the storm Sunday night, but no great damage was done.

Lake Catherine Girl Is Bride of Chicago Man

Dr. Preston Bradley Officiates at Impressive Rites
Saturday

Many summer residents of Antioch were present at an impressive wedding ceremony solemnized on June 2 at the Sheridan Beach Hotel, Chicago.

Dr. Preston Bradley officiated at the double ring ritual which united Rosebud Kretzker of Lake Catherine to Nicholas Francis Lellinger of Chicago. The bride's sole attendant was Margaret Wenigman, also of Lake Catherine.

Over one hundred guests were present at the wedding dinner in the main dining room of the hotel.

Mr. and Mrs. Lellinger have left for a honeymoon in Bermuda and will be at home after July 1, at 1355 Bryn Mawr Ave., Chicago.

Marriage Of Antioch Teacher Is Announced

Announcement was made this week of the marriage of Miss Helen Bacon Hitchcock, teacher of the third grade in the local grade school for the past two years, to Mr. Newman Sheahan on Saturday, November 11, 1933, at the Holy Name Cathedral, Chicago.

The announcement came as a surprise to their many friends in this vicinity, as the marriage had been kept a successful secret. The bride is the daughter of Mrs. E. B. Hitchcock of Lake Bluff, and is a graduate of the State Teachers' College of DeKalb.

The groom, son of Mr. and Mrs. Charles Sheahan of Highland Park, is associated with the Mutual Coal Co. in Highland Park. He attended Loyola University.

The young couple will be at home to their friends in their new house at 508 Princeton Ave., Highland Park, after October 1, 1934.

Mrs. Gaston to Head Ladies' Aid

Mrs. H. B. Gaston was elected president of the Ladies' Aid of the M. E. Church for the coming year at the annual election of officers held yesterday afternoon. Mrs. Clara Westlake is the retiring president.

Other officers elected were: vice president, Mrs. W. C. Petty; secretary, Mrs. William Runyard; treasurer, Mrs. Iuez Ames. Twenty-three were present at the meeting.

GIRL SCOUTS TO SPEND WEEK ON LAKE CATHERINE

Seventeen members of the Antioch Girl Scout chapter will leave Monday to spend a week in the Bohaska Cottage, Lake Catherine. This outing is made possible through the generosity of Mrs. C. K. Anderson.

The girls will be supervised by Mrs. G. E. Phillips, leader, and will receive excellent swimming instruction from Miss Glenna Roberts. They will return Saturday.

MR. KELLER CELEBRATES BIRTHDAY ANNIVERSARY

Mr. and Mrs. Joseph Keller were very pleasantly surprised at their home Saturday evening in honor of Mr. Keller's birthday. Cards were played; prizes were awarded to Mrs. Robert Runyard, Mrs. Barney Neveler, Barney Neveler and Robert Runyard, Jr. A lovely lunch was served. Those present were: Mr. and Mrs. Robert Runyard and son, Robert, Jr., Mr. and Mrs. Earle Skiff, Miss Clara Neveler, Mr. and Mrs. Barney Neveler and daughter, Jennie.

LEGION AUXILIARY TO MEET FRIDAY EVENING

The next regular meeting of the Legion Auxiliary will be held Friday evening, June 8th, at the hall. The president, Mrs. William Anderson, will hold a board meeting Monday evening, June 11th, at her home on Spafford street. All members of the board are requested to be present.

ROYAL NEIGHBORS TO HOLD MEMORIAL SERVICES

Special Memorial services will be held at the next regular meeting of the Royal Neighbors to be held next Tuesday evening, June 12. Each member is asked to contribute something toward a pot luck supper to be served after the meeting.

CHRISTIAN SCIENCE CHURCHES

"God the Only Cause and Creator" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 10.

The Golden Text was, "Blessed be the Lord God, the God of Israel, who only doeth wondrous things" (Psalms 72:18).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Thus saith the Lord the God of Israel, and his redeemer the Lord of hosts: I am the first, and I am the last; and beside me there is no God" (Isaiah 44:6).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is Individual, Incorporeal. He is divine Principle, Love, the universal cause, the only creator, and there is no other self-existence. . . . He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind. Hence all is Spirit and spiritual" (p. 331).

Others from Antioch who attended were Mrs. William Anderson, Mrs. Clara Westlake, Mrs. Monte Hinton, Miss Grace Drom, Miss Linda Buschman, Miss Esther Stearns, Miss Anna Drom, and Mrs. Arthur Trieger.

Personals

Guests of Mr. and Mrs. C. E. Van Patten Sunday included Mr. and Mrs. A. W. Luce and daughter, Mr. and Mrs. Harry Luce and daughter, and Mr. and Mrs. Archie J. Luce of Beloit, Wis., and Mr. and Mrs. William Freeberg, of Ashland, Oregon. All enjoyed a picnic dinner. The Freebergs had been with C. E. and J. H. Van Patten families during the past week.

Mr. and Mrs. Chase Webb spent Wednesday in Chicago. Miss Peggy Gerbrick and Miss Helen Shennings spent Tuesday evening with the latter's parents, Mr. and Mrs. Fred Shennings at Silver Lake, Wis.

Miss Ruth McCorkle returned to her duties as a student nurse in the State Hospital at Kankakee Monday, after a visit of several days with her parents, Mr. and Mrs. Charles McCorkle.

Robert Hughes returned home Monday after completing his sophomore year at the University of Illinois, and attending a three-day course of instruction given by the Roller Chair Co. at A Century of Progress. He will commence his duties at the Fair tomorrow.

Roy Kincher, Waukegan, commenced his duties as cook at the Wetzl Bakery and Restaurant last Saturday.

Dorr Cremin returned Tuesday from Illinois Wesleyan University, Bloomington, Ill.

Mr. and Mrs. John Jones and Charles Selby, Bristol, Wis., were Thursday evening guests of Mr. and Mrs. William Keulman.

Mrs. Mollie Samerville and Earle Somerville spent Friday in Chicago.

Mrs. Thomas Hunt spent a few days last week visiting her mother, Mrs. M. J. Maher, and sister, Mrs. M. J. Dwyer, of Chicago.

Jake Drom, Milwaukee, spent Friday evening in Antioch.

John Koenig, Chicago, spent the week-end with Mr. and Mrs. Joseph Wetzel.

Mr. and Mrs. Lyle Bolton and daughter, Joyce, of Kenosha were guests of Mr. and Mrs. Myrus Nelson Tuesday evening.

Mr. and Mrs. Clayton King, Clara-belle and Wilson King, and Sidney Van Tyle, Chicago, spent Saturday and Sunday with Mr. and Mrs. Frank Powles.

Miss Dorothy Hughes returned Tuesday evening after spending ten days visiting friends at the Illinois Wesleyan University, Bloomington, Ill.

Miss Evelyn Blair is visiting friends in Zion this week.

Mr. and Mrs. James Runyard were dinner guests of Mr. and Mrs. Bert Anderson Tuesday evening.

Mr. and Mrs. William Casper of Chicago were Sunday guests of Mr. and Mrs. William Musch.

Mr. and Mrs. Roy Murrie spent Thursday in Chicago.

Mrs. JOHNSON ENTERTAINED BRIDGE CLUB TUESDAY

Mrs. A. B. Johnson entertained her bridge club Tuesday afternoon at her home on North Main street. Those winning prizes were: Mrs. William Osmond, Mrs. Myrtle Haynes and Mrs. Anna Kelly.

Robert King returned yesterday yesterday from Tucson, Arizona, where he has been attending the University of Arizona for the past semester.

Mrs. Howard Spafford of Malta, Ill., a trained nurse, is visiting with Mrs. George Garland and helping her with the care of the twins.

Mr. and Mrs. D. B. Sabin returned home yesterday after a short trip to Springfield. Mrs. Veda Sabin returned to her home there after spending two weeks in Antioch.

Mr. and Mrs. Charles Vykuta drove to DeKalb today for their daughter, Lillian, and the Misses Hazel Hawkins, Eileen Osmond and Ruth Cremin, who have completed their freshman year at the Illinois Northern Teachers' College. Miss Osmond plans to return Monday for the summer term.

Mrs. Earl Pittman and Mrs. Howard Spafford spent yesterday in Milwaukee, the guests of Miss Albrightson.

Mr. and Mrs. Irving Forester and children of Chicago spent the week-end at the home of Mrs. Forester's parents, Mr. and Mrs. Irving Paddock.

Father Joseph Savage of Des Plaines was the guest of his mother, Mrs. Joseph Savage, several days this week.

Mrs. Charles Lux and Mrs. Robert Wilton and son, Robert Charles, are leaving tomorrow (Friday) for a visit with their mother, Mrs. Sarah Dunham, at Pittsfield, Illinois.

John Brogan, who is completing his sophomore year at the University of Illinois, is expected to return home today.

Fred Hawkins and family moved to their summer home at Bluff Lake, Wednesday.

Mr. and Mrs. Will Claxton and Mrs. John Dreymler of McHenry were guests at the George Garland home Sunday.

Miss Gladys Gaulke and Melvin Walsh of Woodstock spent Sunday with Mr. and Mrs. Earl Pittman.

Mrs. W. E. Schroeder and son Billy of Rockford were guests of Mrs. Schroeder's parents, Mr. and Mrs. C. K. Anderson last week.

Mrs. James Baber spent several days in Chicago with her daughters last week, returning home Wednesday with Mr. and Mrs. George J. Malek and family, Mrs. Joseph Boncek and her brother, Frank Boncek.

Mr. and Mrs. Charles Mayer of Chicago were guests of Mr. and Mrs. Sidney Kaiser last week.

Mrs. George Malek was ill last week but is much improved at this time.

Mr. and Mrs. Virgil Felter and Mr. and Mrs. Ray Eddy took Mrs. Lillian Rotnour to Elgin Sunday.

Mrs. A. J. Felter, Mrs. Virgil Felter and Mrs. Lillian Rotnour were in Richmond last Monday.

Mrs. Lillian Rotnour of Elgin was the guest of her daughter, Mrs. Virgil Felter and family last week.

Mr. and Mrs. H. S. Roberts were guests of Mr. and Mrs. W. F. Strickland at Pittsfield last Thursday and Friday. They also attended the Prom dance at the school there.

Their daughter, Miss Glenna, accompanied them home Saturday, and will spend the summer at their home on Lake Marie.

Mrs. Eva Barnstable and sons, Gale and Russell, and Miss Myrtle Norman spent Sunday in Monroe Center the guests of Mr. and Mrs. Karl Strauss.

Simplify Cooking, With Milk, Fruits, Corn and Potatoes

By WALTER W. McLAUGHLIN
Director, Illinois Department of Agriculture

THIS business of helping the farmers of your state is far from being a one-sided affair, for when you help them you help yourselves—you help your health, your appearance and your food budget. Also, you can make your housekeeping easier if you utilize

WALTER W. McLAUGHLIN, DIRECTOR, ILLINOIS DEPARTMENT OF AGRICULTURE

these Illinois-grown foods. Milk and the three fruits—apples, grapes and peaches—are delicious in their natural form and require no cooking by the housewife; and potatoes and corn are among the most easily prepared vegetables, requiring little special care in cooking to safeguard their vitamins.

Breakfast in many households is a neglected meal. One reason for this is probably that less attention is paid to making it attractive and varied than is given to the other meals. Some variety in foods is desirable for it promotes appetite which is, of course, most important because no matter how nutritious the food you set before your family, it won't do them any good if it's so unattractively and monotonously prepared that they won't eat it.

Estimate of Little Worth
The rabble estimate few things according to their real value, most things according to their prejudices.—Cicero.

An easy way to provide that important attractive variety is to substitute for the regular "orange juice, toast and coffee" breakfast, one made up of apples, grapes or peaches, toast or cereal and fresh milk. In this way you'll be patronizing the farmers of your own state instead of "the orange growers of California and the coffee planters of South America, and you'll be gaining in food value and taste as well, for by substituting milk for coffee you will be truly exchanging something for nothing, as coffee has no nutritive value, whereas milk comes near to being a complete meal in itself with its abundance of protein, Vitamins A and C, calcium and phosphorus.

If you put peaches on your breakfast menu you will be giving your family Vitamins A and B and some iron (dried peaches are especially rich in iron); and if you exchange grapes or apples for oranges you will be getting some of that same Vitamin C that is in oranges, plus some Vitamin B and valuable minerals. (And you don't have to squeeze your Illinois fruits.)

Illinois Foods in the School Lunch.
Another place where the products of your own state will help make your housekeeping easier is in preparing the child's school lunch. Of course milk is the one essential that should never be omitted from that lunch, and Illinois' chief fruits—apples, peaches and grapes—are, conveniently, all of the easily carried type.

Enough about convenience in feeding the family. Now, how about the housewife's convenience in feeding herself? If you would like to reduce weight but hate to try following a reducing diet because of all the trouble in preparing special thinning dishes for yourself, this Illinois-products menu you are feeding your family will solve that problem, for fresh milk, fruits and vegetables are right at the top of the list of reducing foods, because they satisfy appetite without adding pounds. You will have to go lightly on the potatoes and corn. It is true, for they do have a high starch content, but the other foods—the milk, grapes, peaches and apples, should be standbys of your reducing diet.

MILLBURN MISSIONARY RETURNS FROM AFRICA

C. E. Monthly Business Meeting to Be Held at Neahous Home

Miss Una Minto who has spent the past thirteen years as a missionary in Africa, arrived Friday at the home of her brother, D. H. Minto, for her second furlough. Miss Minto gave an interesting description of her trip home at the Sunday school service and brought greetings to the children here from her pupils in Africa.

The monthly business meeting of the Christian Endeavor Society will be held at the home of Jack Neahous Friday evening, June 8th.

E. A. Martin spent Thursday in Chicago.

Mrs. Earl Edwards returned to her home in River Forest Wednesday, after spending several days at the home of her parents, Mr. and Mrs. D. B. Webb.

Miss Bernice Bauman spent several days with friends at DeKalb.

Alta Denman of McHenry is visiting relatives here this week.

Miss Mary Kerr of Lake Villa spent Tuesday afternoon at the home of her sister, Mrs. Alice Spring.

Mr. and Mrs. W. A. Bonner, Mr. and Mrs. Leslie Bonner attended the funeral services for Mrs. Stanley Anderson at the Presbyterian Church in Lake Forest Wednesday afternoon.

Mr. and Mrs. D. Ellis, Mr. and Mrs. Harry Keefe and daughter of Druce Lake were callers at the Frank Edwards home Thursday evening.

Miss Katharine Minto, teacher at Davis, Ill., returned to the home of her parents on Saturday.

Mr. and Mrs. Carl Hughes and son, Sidney, were dinner guests of Mr. and Mrs. Frank Kennedy Sunday.

The Ladies' Aid Society will meet at the church Thursday afternoon. Supper will be served at five o'clock by Mrs. W. A. Bonner, Miss Vivien Bonner, Mrs. Bert Edwards and Mrs. Peters.

Rev. Holden and Miss Vivien Bonner represented Millburn Church at the installation services for Rev. J. Frederick Davies of the Congregational church in Waukegan which were held at that church on Tuesday, June 4th.

Miss Katharine Koertge and Gordon White were dinner guests at the E. A. Martin home Wednesday evening.

Miss May Dodge of Grayslake spent the week end at the W. M. Bonner home.

Bill Murphy Leads Soft Ball Hitters

Has .500 Average; Team Wins Half Its Games

Bill Murphy leads the batters of Antioch soft ball team with an average of .500, a check of individual batting averages revealed today. Bill has been up 40 times and has 20 hits to his credit. The team batting average is .337.

Bill Murphy is manager and Clayton O'Haver is assistant manager of the team.

Here are the figures:

Individual Batting				
Name	AB	R	H	%
Bill Murphy	40	15	20	.500
Bill Keulman	31	15	14	.451
John Murphy	11	4	4	.364
Pat Miller	30	5	10	.333
MacGowan	9	1	3	.333
Stub Murrie	39	12	10	.283
Bud Van Paten	36	4	10	.280
Clayton O'Haver	22	5	6	.273
Dick Folbrink	32	3	10	.313
George Slater	32	11	10	.313
Bob Bishop	16	3	4	.250

The Antioch team to date has won six games and lost six games. Over the week-end they trounced Channel Lake and dropped one to Lake Villa. The team plays every Tuesday and Friday night at the Antioch Grade School.

Record of Games Won and Lost

1. Antioch 8 — Lake Villa 9
2. Antioch 8 — Fox Lake 9
3. Antioch 10 — Channel Lake 8
4. Antioch 9 — Pikeville 6
5. Antioch 14 — Channel Lake 7
6. Antioch 4 — Lake Villa 8
7. Antioch 9 — Pikeville 10
8. Antioch 18 — Channel Lake 12
9. Antioch 27 — Business Men 2
10. Antioch 16 — Waukegan 66 20
11. Antioch 15 — Channel Lake 14
12. Antioch 5 — Lake Villa 11

Mr. and Mrs. S. Boyer Nelson drove to Des Plaines Wednesday afternoon to meet their son, Harold, who is returning from Bloomington where he attended school this year.

Lake Villa Man Is Suicide Victim

Found Shot in Chest After a Drinking Spree by Allendale Man

Gustaf Erickson, 45, who was found dead Monday at the Allendale Farms, Lake Villa, where he was an employee, was a suicide victim, according to the verdict of the coroner's jury returned after the inquest at Strang's funeral home Tuesday. He shot himself in the chest with a rifle, according to Coroner John L. Taylor of Libertyville.

Erickson had been in charge of the farm and gardens of Allendale school for boys, Lake Villa, for the past three and one-half years. He was found sprawled on a bed, clad in pajamas and a bathrobe at 1:30 Monday afternoon by an employee sent to learn if he cared to eat lunch. The fact that he had been heavily drinking is believed to have provoked the suicide act. He was estranged from his wife.

The man was highly regarded, according to Dr. Taylor, who said that his principal fault was a weakness for drinking. His Allendale friends sent him to a sanitarium a year ago, with the result that he abstained from liquor for about six months before resuming the habit.

No one was present when the suicide occurred.

Funeral services were held at 11 o'clock yesterday morning at the Graceland Cemetery, Chicago. He is survived by a daughter.

TO HOLD BAND AND SONGSTER COUNCIL AT SHAG PARK CAMP

200 Musicians to Gather at Will Rogers Camp at Camp Lake

Commissioner W. A. McIntyre, Territorial Commander of The Salvation Army today announced that the Army will inaugurate its first Annual Band and Songster Council on Saturday and Sunday, June 9 and 10.

"The purpose of the council is to promote better understanding in instrumental and vocational composition both for pleasure and entertainment," states the Commissioner's announcement. "Similar councils have been conducted in England for a number of years with great success but this is the first time a council has been planned for this territory."

At Will Rogers' Camp

The council is to be held at the Will Rogers' Shag Park Camp, an Indian Encampment recently opened for Salvation Army Life-Saving Scout and Guard Troops, at Upper Camp Lake, Wis. The camp is just off the highway midway between Antioch, Ill., and Salem, Wis.

Salvation Army Corps within a radius of 50 miles of the Camp are being instructed to attend the council with their bands and singing organizations. Sessions devoted to lectures and study concerning music will be conducted all day Saturday, June 9, and Sunday morning, June 10. At 2:30 P. M. on Sunday the combined bands of 200 musicians will give a sacred concert under the direction of Bernard Smith, leader of the Salvation Army Staff Band augmented by a mixed chorus of 200 voices.

Guests May Inspect Grounds

Posters announcing this event are being erected on all highways leading to the Camp and Commissioner McIntyre is extending an invitation to friends of the Army to spend next Sunday at Camp Lake to enjoy this musical treat. There is plenty available space for picnic parties and free parking for automobiles.

Following the concert, the guests will be taken on a tour of the buildings and grounds, including the Fresh Air Camp adjoining, devoted to free outings for dependent women and children.

According to Brigadier Clayton, Divisional Commander, the American and Scandinavian Corps are very enthusiastic over this event and are planning to send large delegations to Camp Lake.

ACES TAKE MEASURE OF RICHMOND TIGERS IN SUNDAY GAME HERE

Visitors Make 11 Errors; Locals Guilty of 4 Bobbles

The Antioch Aces took the long end of a 11 to 4 score here Sunday afternoon with the Richmond Tigers. Sheehan held the visitors to 8 hits, gave 4 bases on balls and struck out 13, while Bailey allowed 10 safeties, struck out 6, and gave walks to 6. Bailey pitched a good game but his support was ragged, his teammates making 11 misplays that helped the Aces to several of their markers.

Six extra base hits aided in the scoring. Bishop hit a home run; Nelson and Butler went to third base on long drives, and Lasco, Wells and Christensen clouted the ball for two bases each.

Loss to Grayslake

The second set-back of the season was handed to the Aces here Decoration day when the Grayslake Merchants walloped the locals, 15 to 7. Grayslake batters made 18 hits.

Antioch will play the Gurnee team here next Sunday afternoon.

A CALENDAR OF CHICK MANAGEMENT

First Seven Days Are the Most Important.

What to do with the young flock day by day aside from feeding and watering is the subject of a calendar of chick management prepared by the Educational Division of Purina Mills. Combined with the use of properly blended rations, the following will be of greatest help toward keeping chicks alive and healthy and making them grow rapidly.

These steps in management as outlined by the staff experts cover the

COVER LITTER WITH PINK BUILDING PAPER OR BURLAP

90°-95° First few days 60°-65° 2nd-3rd week 60°-65° at end of 6th-week

Adjust Brooder Temperature

most critical period—the first seven days.

Two weeks before chicks come—

Scrub brooder house thoroughly with soap and water; disinfect floor and sidewalks with Creso-so; move to new or clean ground.

Three days before chicks come—

Start brooder stoves to see that they are working properly; regulate thermostats.

First three days—

Leave chicks in boxes in a warm darkened room for a short time until thoroughly quieted down.

Use high-grade straw or peat litter one inch deep; cover with pink building paper or burlap sacking to keep chicks from picking up litter.

Keep brooder temperature at 90 to 95 degrees with thermometer bulb 3 inches above floor just outside edge of hover; keep out drafts, but supply fresh air.

Make guard to hold chicks near the heat. Can use one inch mesh wire one foot high encircling the brooder about 15 inches from the edge of the brooder. Cover wire mesh with muslin or drape burlap sacks to shut off floor drafts.

Provide one inch of feeding space for each chick, or one hop-

Lake County Is Included In Area For Drought Relief

Survey Shows Cattle States to Be Hard Hit; Gov't. Aid Promised

Thirty-one counties in northern and central Illinois, including Lake, were included in the secondary drought area established by federal officials as part of the farm relief program. Under this program, the AAA relaxed its acreage reduction restrictions so that forage crops may be grown on government rented land.

This federal recognition of the drought crisis in Illinois came after Governor Horner had telegraphed a plea for aid to Secretary of Agriculture Wallace. His telegram request-

Sorenson's Tavern Evens Score With Lake Villa Tea

After having suffered a close defeat at the hands of Lake Villa a week ago, Sorenson's Tavern team evened the count here Monday by nipping the Lakes in a hard fought game, 8 to 7. The rubber game will be played next Monday at Lehman's Park, Lake Villa, at 7:30 o'clock.

ed prompt action to enable the movement into our state of livestock feed on the basis of emergency freight rates, and the allocation of emergency relief loans to drought stricken farmers.

The counties in the new drought area are Boone, Bureau, Carroll, Cook, DeKalb, DuPage, Fulton, Grundy, Henry, Jo Daviess, Kane, Kankakee, Kendall, Knox, Lake, La Salle, Lee, Marshall, McDonough, McHenry, Mercer, Ogle, Peoria, Putnam, Rock Island, Stark, Stephenson, Warren, Whiteside, Will and Winnebago.

In his crop bulletin for the week E. W. Holcomb of the local weather bureau said:

"Light showers occurred generally in the southern division at the week-end relieving the drought very temporarily but in a few favored spots the showers were fairly heavy."

"Chinch bugs are doing much damage to grains. Crops generally

in the southern division are in fair condition on account of the more favorable past moisture conditions, but there was general deterioration the past week.

"Elsewhere marked deterioration occurred, with winter wheat mostly in poor condition and spring sown grains, truck, meadows and pastures largely a failure. However, a crop of alfalfa is being cut in areas."

Oats Too Short

"Oats in areas of the northwest are heading too short to cut, and that crop in many places is being sown or plowed under and replanted to soy beans or other legumes. Winter wheat is heading short with small heads which on the drier soils are not filling well, and there is considerable firing."

"Corn is generally small with uneven germination and growth. Some is being replanted. Considerable will be attended the high day temperatures."

T. B. Association
Issues Warning
Against Fakers

Denouncing as "unscrupulous scoundrels" the fakers who prey upon tuberculosis patients by the sale of so-called cures for the disease, the Illinois Tuberculosis Association has issued a warning against patent medicines and other nostrums alleged to be specifics for consumption.

"Although tuberculosis can be cured by assisting Nature to overcome it through rest, fresh air and nourishing food, medical science has not yet discovered any drug or chemical which will cure the disease," the association states.

Many persons believe that for every ailment there is a remedy which comes in a bottle, and that a cure will be effected if the individual can only locate the right bottle, the tuberculosis association points out. Added to this is the fact that the present regimen of treatment requires a considerable length of time, and tuberculous patients endeavoring to find a short cut become victims of "guaranteed remedy" vendors.

"The files of the National Tuberculosis Association contain information about hundred of fake cures, ranging from magnetic belts to inhalators. None has proved of value in the treatment of tuberculosis. Investigation of testimonials from persons said to have been benefited by these nostrums shows that many were dead even before the testimonials were published," according to the association.

Those who suspect they may have tuberculosis are advised to go to a reputable physician for diagnosis and if the disease is discovered, follow his suggestions. Physicians sometimes prescribe medicines to relieve cough or fever, but in doing so never claim they are administering a definite cure.

Book Covers Are Protected by Glossy Coats of Varnish

Varnish makes a good protection for book covers. It is especially practical for keeping children's school books in proper shape, since the varnish makes the covers not only durable but washable.

Pottery Captures White Jade Charm

A new line of pottery has captured a white that is neither dead nor dazzling in some of the newest pieces. The color is miraculously akin to that of white jade, "muttony," but with a subtle brilliance. Penguin book ends in this delectable color and black are particularly charming. A masculine set, a black and white humidor with an ash tray, is stunning, and the feminine heart, which delights in boxes of all shapes and sizes, will find these in this pottery irresistible.

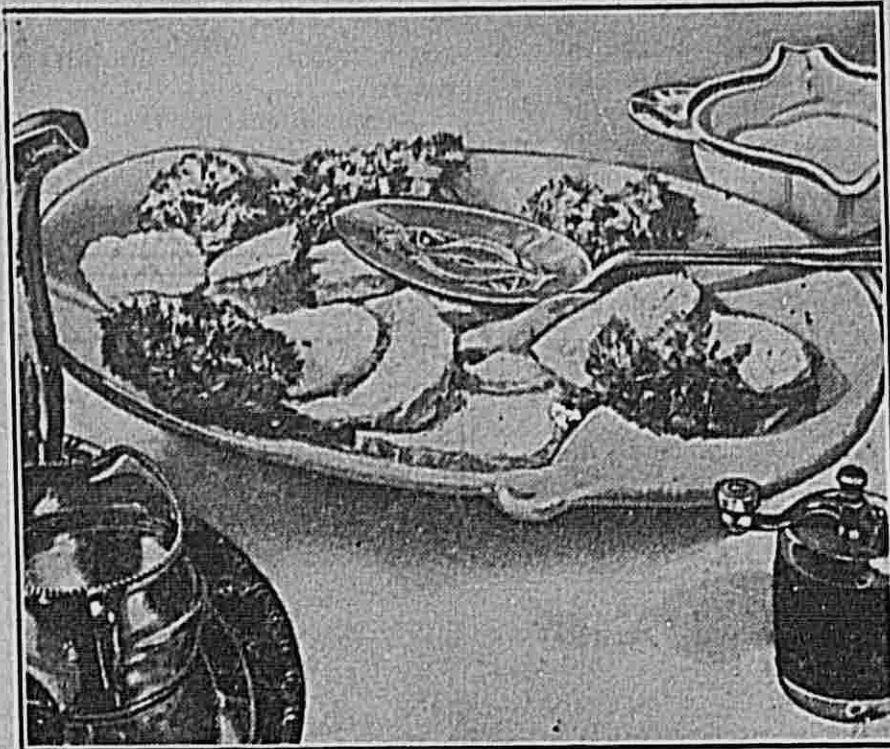

Bright Rubber Bands Come in Aristocratic Metal Box

Even rubber bands add an aesthetic touch to living. Gone are the old elastics of drab, brown or gray. They now come in cheerful assortments of every color in the rainbow, boxed in an aristocratic little metal rectangle with a cellophane top.

Stuffed Steak
Two pounds round steak, two cups bread crumbs, 2 small onions, pinch sage, salt and pepper, 1/4 teaspoon soda, 1 egg, 2 tablespoons shortening. Enough hot water to moisten. Mix crumbs, minced onions, seasonings, soda, and spread on steak, which should be flattened and seasoned. Roll up and tie; skewer the

A Hot Weather Menu Suggestion

By Barbara Brooks

With hot weather coming on apace, now is the time to begin planning for summer dishes. If they are dishes that can be served either hot or cold, so much the better. Then you are prepared for any whim of the weather.

Ham loaf is just such a dish. It is delicious served hot. Chilled, it can be cut into thin slices for the cold meat platter, or for picnic sandwiches. One thing you'll notice about the recipe is that it calls for corn flakes as one of the ingredients—an example of the growing use of the ready-to-eat breakfast cereals in the preparation of many meat and other dishes.

ends to keep stuffing in. Flour the steak. Melt shortening in baking pan, put in steak and turn until it is browned on all sides, then turn in a cup of hot water and bake slowly.

Ham Loaf
1 pound smoked ham (ground)
1/2 pound lean pork (ground)
1/2 pound veal (ground)
1/2 teaspoon salt
2 tablespoons chopped green pepper
2 eggs (beaten slightly)
1 cup milk
2 cups corn flake crumbs
Roll or grind corn flakes fine. Combine all ingredients thoroughly. Fill a long narrow cloth bag with the mixture and loil one hour, or bake in loaf pan in a moderate oven (350°F.) one hour. Provides 8 servings.

California Fruit Pudding
18 dried apricot halves
18 dried prunes
1 lemon
1/2 cup seedless raisins

1 good sized apple
12 graham crackers
1/2 cup walnut meats
1/4 cup butter melted.

Wash and drain the apricots and prunes, removing the pits from the latter. Pour the lemon juice over the dried fruit and set aside for half an hour. Pass nine of the crackers through the food chopper or crush finely and blend with the butter. Then pass the walnut meats and all the fruits also through the food chopper clearing it afterward with the remaining crackers. Blend all ingredients thoroughly, pack down into buttered individual cups or molds, cover with greased paper and place in a saucepan containing boiling water to reach two-thirds of the way to the top of the molds. Cook half an hour, or longer if the pudding is in large cups. Serve hot with hard sauce or cold with sauce or whipped cream.

French Puffs

2 cups flour
Pinch of salt
1 tablespoon shortening
1 egg
Water

Sift the flour and salt, work in the shortening and moisten with the egg and just enough water to mix. Roll out thinly on a floured board, cut into rounds with a saucer and fry quickly, not allowing the puffs to brown. Sprinkle while hot with powdered sugar.

Holiday Rice Pudding

1/2 cup sugar
1/4 teaspoon salt
1 teaspoon cinnamon
1/2 teaspoon nutmeg
1/4 teaspoon allspice
1 cup quartered raisins
1 cup chopped dates
1/2 cup currants
1/2 cup chopped nut meats
2 cups milk
3 tablespoons butter
12 marshmallows
Sift the sugar, salt and spices together and mix with the boiled rice. Add the fruit and nuts, then the

scalded milk and butter, and stir all well together. Pour into a baking dish and bake 25 minutes, stirring several times until the pudding begins to thicken. When firm, place the marshmallows on top, return to the oven and allow them to brown. Serve with cream.

Eggs in Spaghetti Nests

4 cups of cooked spaghetti
8 eggs
2 cans tomato soup.
Cook spaghetti in long pieces, drain and coil in eight nests on a large platter. Poach eggs and drop one in the center of each nest. Heat the tomato soup and pour over. Serves eight.

HICKORY COUPLE ARE PARENTS OF SON

Milton Smith Undergoes a Tonsil Operation in Waukegan

Born to Mr. and Mrs. Gordon Wells on Tuesday, May 29th, a son, Everett Edmund, at their home.

Milton Smith had his tonsils removed at the Victory Memorial Hospital in Waukegan Monday.

Mrs. Jennie Pickles returned home Sunday after spending the past six

months with her sister, Mrs. Stokes, in Elmhurst.

Mr. and Mrs. Ed Stream celebrated their third wedding anniversary on Sunday, June 3rd, with a houseful of relatives and friends from Chicago.

The Pikeville school closed last week. They held a Community picnic in the Tillotson woods on Decoration day. A picnic dinner was enjoyed at noon. A ball game between the Pikeville and Woodworth teams was played in the afternoon with Woodworth as winner.

Frank King attended the auto races at Indianapolis Decoration day. He drove to Waukegan Airport and made the trip there and back by airplane.

Mr. and Mrs. Hugo Gussasson and children spent Sunday with relatives in Chicago.

Mr. and Mrs. Frazier Hollenbeck and Charlotte and Shirley and Mrs. Dixon and daughter, Jean, from Norwood Park visited O. L. Hollenbeck's Wednesday evening.

Miss Grace Tillotson, Mrs. H. A. Tillotson in company with Miss Georgie, the Pikeville school teacher, attended the eighth grade commencement exercises for Kenosha county school held in the Pavilion at Pad-docks Lake, Saturday afternoon.

Dr. A. J. Stokes of Chicago and Mrs. J. Pickles were Sunday dinner guests at the H. A. Tillotson home.

Miss Edith Thompson of Libertyville was home a few days last week.

ANTIOCH

WE ARE GIVING A PRIZE

COOKING SCHOOL---

Continued From Page 1
kitchen furniture; Marianne's apparel, and Gamble Stores Agency, Antioch.

To further stimulate interest in this instructive school, many valuable gifts have been contributed by the above merchants in addition to the grand prize, a Magic Chef Pyrofax Gas Range, donated by Mr. Eddy. He is doing this because of his appreciation for the fine business he has enjoyed from his many customers in this locality.

The school is absolutely free. Your only obligation is to try not to be tardy for the school.

Husbands Invited, Too

If you attend the evening session, don't fail to bring your husband or husband-to-be. Men are always interested in cookery. Also bring along a memo, a pad and pencil, as Miss Gray, during her talks, mentions many valuable household hints which you will want to jot down.

The sponsors urge all women, young and old, to attend both sessions. It is believed that homemakers of this locality are as much interested in this subject as those in other sections where Miss Gray has conducted her schools to capacity houses.

The domestic science department of the local high school will be extended a special invitation to be present at the sessions, Mr. Eddy said today.

This is an opportunity the community has long awaited. From all reports, it is felt that Mr. Eddy, the Pyrofax-Magic Chef distributor, is rendering a community service by sponsoring this fine undertaking.

See page seven for details.

Former Local Man
Is Taken By Death

James Dunn, Brother of Frank Dunn, Dies in Kenosha

Funeral services for James Dunn, former local resident who passed away in Kenosha Tuesday, will be held tomorrow morning at nine o'clock at St. James Church in Kenosha.

Dunn, who is a brother of Frank Dunn, Antioch, passed away at the home of his niece, Mrs. Clarence Hastings, Kenosha, Tuesday evening, as a result of an infection in his foot.

He was born in Lake Villa about 74 years ago, the son of James and Margaret Dunn. He received his education in Lake Villa, and spent some time in Chicago, before moving to Loon Lake to live with his brother, Frank, on the farm.

Shortly after Mr. and Mrs. Frank Dunn and family moved into the village of Antioch twenty-two years ago, James became gateman at the North Shore Railroad in Kenosha, and held that position until about three years ago, when he retired with a pension.

He is survived by two brothers, Frank of Antioch, and John of Woodland, Washington; one sister, Mrs. Julia Hastings, Kenosha; several nieces and nephews: James, Margaret and Robert Dunn, Antioch; Clarence Hastings and Mrs. Florence Hastings Oglesby, Kenosha; and Mrs. Winnie Hastings Sherry, Waukegan.

Burial will be in a Kenosha cemetery.

The D. A. Williams home is looking lovely with a new coat of paint, being applied by Laurence Hoffman.

GRADUATION---

(continued from page 1)

nice Jensen, who has maintained a high average in all of her academic courses and Josephine Sterbenz, salutatorian, were honored. The program included, in addition to the salutatory and valedictory, the class history, by Marjorie Crowley, the class will by Clare Hewitt, the prophecy by Harold Fennema; a playlet "Between Trains" by Louise Rothers, Roberta Haase, Lillian Laursen and Ruth Hughes; and musical selections.

The class orchestra is composed of Kenneth Hills, Russell Hunter, Marty Boyle, Ward Wilton, Paul Zelen, Harold Fennema, Robert Peterson, and Hans Von Holweide at the piano.

Class of '34:

Clayton Bartlett, Marty Boyle, Willard Christensen, John Descher, Howard Dibble, Harold Fennema, Clarence Gallger, Arthur Griffin, Orville Hawkins, Clare Hewitt, Kenneth Hills, Raymond Hussey, Russell Hunter, Fred Maier, Peto Moroz, Willard Murphy, John Newman, Holger Nielsen, Paul Nielsen, Lester Osmond, Jack Panowski, Henry Pape, Willard Schneider, Tony Sciacero, John Sheen, Delbert Sherwood, Wray Sheen, Walter Simonsen, Marvin Van Patten, Howard Wells, Ward Wilton, Paul Zelen, Harry Stott, Marie Anderson, Bernice Baumann, Helen Buchta, Elizabeth Corrin, Marjorie Crowley, Thelma Cunningham, Grace Denman, Margaret Dibble, Helen Gallger, Roberta Haase, Reita Hawkins, Ruth

Fire Department To
Fill Dry Cisterns

In an attempt to relieve village residents or farmers in this vicinity who are suffering inconvenience from dry cisterns, the Antioch and Lake Villa fire departments have promised aid.

The cisterns will be filled with lake water, according to Fire Chief Jim Stearns, who said that anyone desiring this service should get in touch with him, or with Fred Hamlin, Lake Villa Fire Chief.

If the present drought crisis is not soon relieved, a meeting of the representatives of all fire departments in western and central Lake County will be called to determine what emergency measures can be taken.

Mr. and Mrs. C. L. Kuttl and daughter, June, visited at the Nels Nielsen and H. Tillotson homes at Hickory Corners Friday evening.

Hughes, Bernice Jensen, Genevieve Krahn, Lillian Laursen, Bessie Lyons, Sara McNamara, Helen McVicar, Evelyn Merritt, Charlotte Meyer, Adele Miller, Bertha Overton, Grace Pedersen, Eileen Philippi, Gloria Pierce, Louise Rothers, Dorothy Schadt, Thelma Schlax, Wilma Schmidt, Josephine Sterbenz, Louise Smith, Jean Van Patten, Robert Peterson.

Class officers were: president, Clayton Bartlett; vice president, Jack Panowski; secretary, Delbert Sherwood; treasurer, Jean Van Patten. Their advisers were Miss Roberts and Mr. Riechers.

Helen Simonsen Is
Graduate Nurse

Mr. and Mrs. Simon Simonsen and Mrs. Christ Mortensen attended the graduation exercises held at the Swedish Covenant Hospital in Chicago, yesterday evening, when Miss Helen Simonsen received her degree as a graduate nurse.

Miss Simonsen was one of twenty student nurses, representing ten states, who completed the three-year course.

Others attending the exercises were Walter and Anna Simonsen, Miss Eileen Philippi, Miss Fannie Westlake and Fred Yates.

MAN'S HEART STOPPED,
STOMACH GAS CAUSE

W. L. Adams was bloated so with gas that his heart often missed beats after eating. Adierka rid him of all gas, and now he eats anything and feels fine. King's Drug Store and S. H. Reeves, Druggist. (L-7)
